

COMPANY PROFILE

AN OVERVIEW

**JOINT GLOBAL BUSINESS
COMPANY LLC**

AN ISO CERTIFIED COMPANY

www.jgbksa.com

رؤية
2030
المملكة العربية السعودية
KINGDOM OF SAUDI ARABIA

ABOUT US

Major operations in KSA, Bahrain, UAE, Qatar, Oman, Kuwait, India, USA & Canada with a customer base including contractors, consultants and end users

Global Supplier of a diversified range of products relating to Oil Field, HVAC, Electro-Mechanical, Water, Industrial Insulations

Provider of industrial products with complete engineering services and technical knowledge from specialist quality engineers

OUR JOURNEY

FOUNDED
2000

The foundation of what would mature and become today's JGB Group was laid by a group of qualified and experienced engineers with vision.

CONSOLIDATED
2005

The JGB group ventured into new areas and built on its foundation, in spite of global recession and restraints imposed by a controlled economy

EXPANSION
2008 - Present

The liberalization from recession leads to a period of remarkable growth in the GCC. JGB group ventures into new territories with renewed zeal.

GUIDING PRINCIPLES

VISION

To be an internationally respected company offering comprehensive solutions

MISSION

To serve the Global Energy Industry by procuring and supplying quality products manufactured and offered by leading International manufacturer

VALUES

- *Customer Satisfaction and Loyalty*
- *Employee Dignity and Self Respect*
- *Technical Excellence with Professional Ethics*
- *Organisational and Individual Growth*
- *Responsibility to Society*

The background of the slide features a grayscale industrial scene, possibly a refinery or chemical plant, with complex piping and storage tanks. This scene is partially obscured by two large, diagonal stripes: a red one on the left and a blue one on the right, which meet at a diagonal line running from the top-left towards the bottom-right.
